

EXPLODE YOUR INCOME!

You're Days Away From Making Up To \$4,000 IN 7 DAYS

Make Only One 5 Minute Phone Call To A Special Service And Get Paid In As Little As 24 HOURS

Thank you very much for requesting information on the Simple Freedom System and how you can earn up to \$4,000+ in 7 days without recruiting, joining mlm/matrix's, building down lines or talking to a single person at all. I've been utilizing this system for the past 4 years to generate big bucks, real fast. Now, I'm going to share with you the exact secret to achieving the same I did. You will be doing the exact same thing that I've been doing each and every day. And no stone will be left unturned. If you follow my instructions exactly, you're going to make money, lots of it... and in 7 days or less!

The secret of my success consists of using an unconventional **3 STEP** method for bringing a quick cash infusion to a new home-business, then utilizing some of that cash to generate up to \$4000 every seven days.

STEP 1: GETTING IMMEDIATE CASH WHEN YOU'RE ALMOST BROKE!

Let's face it...in order for you to start and grow a new home business you need cash to help you promote a product or service. The problem is that most people do not have sufficient funds to really get things off the ground. Yes, they might spend \$100 to \$1000 buying a business opportunity, but then the individual realizes that they have to spend another \$500 to \$1500 in marketing expenses. A few that manage to advertise find out very quickly, that those half baked marketing plans don't work and end up quitting before they start. Most plans don't pay you enough money up-front where it is needed the most, to help you cover your initial expenses quickly. These unfortunate souls spend a ton of money and time in recruiting a ton of people, using worthless advertising, filling up matrixes, etc..and all for what...to receive a \$50 check in the mail from the company. That's INSANE if you ask me. Here you'll earn \$200 per sale and then \$100 from every sale on your frontline.

\$200 & \$100 again & again! I've come up with a simple but yet remarkable plan for turning as little as \$30 to \$60 into as much as \$800 or more of working capital in a matter of a week or two. Then you place only a fraction of that starting capital into my other two steps, to get up to \$4000 or more every seven days. In my professional plan, you will not only receive a quick infusion of cash to your new business with direct sales AND LEVERAGE sales, but you will be able to utilize an extremely low cost and innovative marketing technique, to bring in the money you need right now with guaranteed success every time. I will show you step by step how with only a "**Shoe String Budget**" you can have gobs of cold hard cash delivered to your mailbox easily, effortlessly and without talking to anyone.

This little known and misunderstood STEP 1 of my Simple Freedom System can give you the cash you need for any new home business in no time flat. I have utilized this technique time and time again and it never has failed me. If I had only fifty lousy bucks and living in the middle of nowhere, this single step would get me out of financial suicide. It requires no selling, it's easy, it's fun, and best of all it can be done from your kitchen table the same day that you receive your package. Many people are surprised to see how simple this is but are earning a full time income just by doing it. YET, if you want a lot more. **PLEASE READ ON... Imagine receiving \$100 each and every time your frontline members make a sale!**

STEP 2: The Power Of Internet and Email Marketing... Getting \$1000 to \$4000 within 7 days. NO MLM or Guru's NEEDED!

Once you receive your initial \$200 or \$800 from STEP 1 and those \$100 frontline sales start streaming in, you can invest only \$50-\$200 into STEP 2 of the program. The rest you can keep or invest it into STEP 3.

IMPORTANT NOTE: The following step does not...I repeat...DOES NOT...require any equipment of any kind. You will only need to make a quick phone call to a service that I will provide, once or twice a week. So if you know absolutely nothing about computers and live on a mountain somewhere, you are able to do this and **earn \$200 each direct sale AND \$100 from each and every front line sale on autopilot.**

The secret of STEP 2 consists of using a special NON SPAM email broadcasting service; but not just any broadcasting service. As some of you may already know if you've done any kind of email or fax broadcasting before, there are many unscrupulous companies out there. They take your money and then claim to have performed the service they were paid for when they actually haven't done a thing! Many of these companies don't even provide you with proof that they have sent out your broadcast. When they do finally send emails or faxes it is usually SPAM (unsolicited mail) which is not good and doesn't work. Unfortunately, many people continue to use these types of services, throwing more good money after bad. If you don't know the correct email or fax broadcasting companies to use, you will be fighting an uphill struggle.

However, once you do know the right broadcasting companies to use, then making a ton of money with email broadcasting is just like taking candy from a baby! The key is finding companies that send emails or faxes to people that have OPTED-IN to receive information on what you are selling. It can be people from newsgroups, people that buy products from internet sites and are requesting information on other similar products etc..This equates to NON-SPAM EMALING or FAXING and BIG BUCKS FOR YOU. I have found just that and I will share with you my information.

Here's how this STEP 2 system works:

1. You call any of our recommended email companies and order a broadcast..
2. You order a 25,000 to 100,000 email blast or 1000 to 2000 fax blast.
You should receive an average of 40-100 responses.
3. Use my powerful system to **turn 10-30 or more of those 40-100 responses into orders.**
4. Collect your money! Then have the product drop-shipped to your customers.
5. Repeat this process as many times as you like! **Each order will earn you \$200!**
If you receive 20 orders this equates to \$200 X 20 orders = \$4,000 in 7 days!

Naturally you may do more. In most cases you will. **The least amount of orders I've received has been 6 orders in a week (during December – Christmas Time - \$1200) with the most being 40 orders from a 1000 to 2000 piece fax blast or a 25,000 to 100,000 NON-SPAM email blast!** Why does this system get such fantastic results when other programs are lucky just to get 2 or 3 orders? For, starters, by using the broadcasting services that I use, you can rest assured that your ad will be going to people who have not received this offer before. Secondly, the fax or email broadcasting services I use have fax numbers or emails addresses generated from sources that have not been advertised to death with hundreds of programs. So they are very receptive to this offer, especially when they see what I can provide. Combine all of these things together and success is guaranteed for anyone who uses this system! When they start mailing you receive another \$100 per sale!

I will provide you with the very special letter that you send to people that respond to the emails or faxes. Simply follow the simple directions that are included with the letter and start generating money! Please note that this special letter is designed to generate a lot of serious cash for you very quickly so please don't waste a minute putting it into use! REMEMBER: **You earn another \$100 on your customer's sales.**

STEP 3: Getting Up To \$21,000/Month Mailing Little Simple Post Cards and A Few Letters...Using A WHOLE NEW TWIST!

If you really want to skyrocket your income without spending a fortune then please read on. This is especially true for all those mail order junkies out there that think they are involved in a winning program. Most of these people spend a small fortune to get a meager ½ percent to 1 percent response rate mailing company flyers and only receiving a few lousy bucks a month. Here you have serious LEVERAGE!

Most mail order dealerships, MLM, Etc... don't work. There are three BIG reasons for this:

- 1) Most programs/MLM don't pay you enough up-front (PER SALE). If you only get \$10 to \$50 upfront then it takes over a 3% response rate to cover your marketing. Most sales letters from those company flyers, booklets etc. can barely pull a 1 percent.
- 2) Most "biz ops" and MLMs don't pay you quickly enough. Companies tend to keep your money as much as 1 month after a sale has been made before they send your first pay check. What good is that?
- 3) Amateurs mail to the wrong people. They send to an overworked and unproductive mailing list.

I am making a fortune by mailing only a few of my letters & Post Cards a week for the Simple Freedom System. How much you may ask? Well to be on the conservative side, I am getting an average of 1% to 3% order rate. In fact, I've never received less than 1%. I've even received as much as 5% order rate.

For those who need help with the math... Here are the figures, without the additional leverage too!

200 Letters Mailed @ 1% to 3% response rate @ \$200 per order = YOUR EARNINGS **\$400 TO \$1200**
500 Letters Mailed @ 1% to 3% response rate @ \$200 per order = YOUR EARNINGS **\$1000 TO \$3000**
1000 Letters Mailed @ 1% to 3% response rate @ \$200 per order = YOUR EARNINGS **\$2000 TO \$6000**
2000 Letters Mailed @ 1% to 3% response rate @ \$200 per order = YOUR EARNINGS **\$4000 TO \$12000**

Get This...Even If You Only Get A ½ of A Percent Which Is Unlikely, When You Follow My Footsteps...You Will Still Make Killer Profits because your frontline sales earn \$100 passive each!

HERE IS THE TWIST: If you follow my simple instructions, you will be able to send as many letters as you would like to without paying a dime out of your own pocket. You've read that correctly.

You will be able to use part of the money that you've gained from STEP 1 & frontline sales and utilize it to do your mailings. But pay attention... **I will also show you how to get free supplies for your mailings. THIS LEVERAGE HAS TAKEN OUT ALL THE RISK OUT OF YOUR NEW MAIL-ORDER BUSINESS.** Every technique I use to get amazing response rates will be shown to you...including how to find the best types of mailing lists for this program, envelope tricks, how to avoid common mistakes etc...
